POST CARD

Delano
 you're a low saxophone in a midnight room,
 blue neon dripping down the walls,
 a hush
 before the drum kicks.

You're the cool in the coffee,
 the velvet in the smoke,
 the way the ocean snaps its fingers at the moon.

I chase your echo down Collins Ave,
 barefoot,
 laughing, gone—

Delano, you're the beat I can't shake,
 the rhythm I keep coming back to.

The shoreline unfolds in quiet
tropic rhythm –
Delano looking on, guiding its
steady beat
as palms trace shadows across
soft white sand,
salt air touched with citrus
and sea.

The water shifts between
turquoise and jade,
a horizon that hums with
warmth,
each wave carrying the promise
of endless summer.

My love,

Delano is a cathedral of desire, white walls rising like purity itself, but inside, everything burns with temptation. The pool stretches into the horizon like a dare, the garden hides secrets in its shadows and every corner feels alive with a dangerous kind of beauty.

And yet, none of it dares compare to you.

They say Delano is a vision, a masterpiece. But you are the fire behind every vision I've ever had. The way the ocean crashes outside is the way my heart crashes when I think of you relentlessly, unashamed. The way the midnight lobby glows is the way your presence ignites me, even in darkness.

I love you as much as this place unsettles me: fiercely, endlessly, with no regard for limits. The Delano makes me believe in beauty, but you make me believe in life.

Until the next night we burn together,

M.

Nothing Finer

A RETAIL EXPERIENCE
CREATED BY DELANO

A living expression of
Delano's original tagline,
reimagined for a new era.
It is the Delano world
you can wear, carry or gift.

The music is unreal
every song hits like it
was made for tonight.
The velvet curtain, the
bass... and the crowd...
it's almost too perfect.
Everyone is beautiful,
dressed like they knew
they were walking into
a dream. It doesn't feel
like Miami, it feels
like its own world and
honestly, I don't want
it to end. EVER!
