Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase the risk of foodborne illness, particularly for individuals with certain medical conditions. Several menu items may contain common allergens, including peanuts, tree nuts, fish, shellfish, eggs, milk, soy, and gluten. Please ensure guests are encouraged to notify their server of any food allergies. There is a risk associated with consuming raw oysters. Individuals may be at greater risk of serious illness and are encouraged to consume oysters fully cooked. If guests are unsure of their personal risk, they should consult a physician.
